ABOUT US

For over 43 years, Christmas Connection has provided a no cost shopping experience for families in need. Today, through generous support from the community, we have grown to serve over 6,000 families each year. Our store is stocked with new and gently used items which provides toys, clothing and household items.

In partnership with referring agencies, our clients engage with a personal shopper to help guide them through a dignified shopping experience. At Christmas Connection, every day is Christmas morning.

We believe that every person deserves the chance to feel seen, even during their most challenging moments. Christmas Connection...spreading cheer throughout the year.
